

Rosewood basket

Print out this page twice then cut out the shapes below using the black line as a guide. You will need 2 triangles and one strip for the handle. Next use glue, double sided tape or staples to join the 2 triangles together, keeping the top open. Next attach the handle! Ta-dah!

Top tip!
To make your basket more durable you can cover the front with sticky back plastic before gluing it together!

Here's one we made!

love wood & play...
