

# Fairytale road signs

Print out and make our Fairytale road signs inspired by our new Timber Taxi from the magical world of the Merrywood folk! All you need is this print out, small twigs, tape and play dough. Carefully cut out each sign then use tape to stick onto the twig and push it into the dough!

**Top tip!**  
We have left you blank road signs so you can invent your Fairytale signs too! Cover with clear, sticky back plastic to make them last longer!
